

QUALITY POLICY

With the management system in place, we want to achieve the confidence of our existing and potential customers in our procedures used in the execution of orders.

The company's activities ensure minimal impact on the environment. It strives to comply with all legal and other requirements.

The company is committed to:

In relation to customers and the public

continuously identify customer needs in order to meet customer expectations

to create a corporate image with a responsible attitude towards the customer, towards its employees

inform customers and the public about its activities in the press and on the company's website, communicate with stakeholders

The company undertakes to review customer requirements, work risks and their impact on employee health and safety at regular annual intervals.
